

**Western Suburbs
District Cricket Club**

**Life
Member**

Paul Mooney

At the Annual Trophy Night in April 1999 the Club President, Paul Mooney, was elected a **Life Member**.

Paul's association with the club dates back to the 13th November 1974 when he was elected to the Committee. Paul is well known in Queensland Rugby circles for his playing career in which he represented Australia and his coaching career which continues to this day at Ipswich Grammar School. He is a life member of the QRU and Wests Rugby.

Paul played lower grade cricket with South Brisbane being kept out of the upper grades as wicket keeper by Don Tallon and Wally Grout. He had a long and distinguished career with Toowong Cricket Club.

Paul served WSDCC on the general committee (20 years) as Queensland Executive Officer and Delegate (10 years) and for 10 years as Club President. Paul's son, Phillip, played for the club from 1981-81 until 1992-93 and is currently Wests Rugby first grade coach. Philip played 127 matches for the club scoring 3708 runs at 30.39 including 5 centuries (highest score of 207), including a first grade century. In all he played 36 first grade games scoring 780 runs at 21.1. Tribute should also be paid to the contribution Paul's wife, Jean, has played in the club.
