**RE: QLD Premier Cricket Helmet Policy Regulation**

Dear all,

QLD Premier Cricket has supported the recommendation from Cricket Australia to mandate the wearing of British Standard 7928:2013 compliant helmets by junior and senior cricketers in particular match situations from the 2019/20 season onwards.

The wearing of helmets when batting and wicketkeeping up to the stumps has been mandatory for junior cricketers (under 18 years of age) participating in Premier Cricket for several seasons now and continues to be the requirement.

For the 2019/20 season, senior cricketers will now be required to wear helmets at all times when:

- Batting against fast or medium-paced bowling.
- Wicketkeeping up to the stumps
- Fielding in a position closer than 7 metres from the batter (with exception of fielding position from offside gully to leg gully)

The full regulation can be viewed below, along with the supporting appendix which deals with the *Helmet Policy Enforcement Procedures*.

As outlined in the Enforcement section (clause C), it is important to note that Premier Cricket umpires will not be responsible for determining if a player is wearing a British Standard 7928:2013 compliant helmet in these situations. Their responsibility is for ensuring a helmet is worn when required by the Regulation.

Should you have any further queries or require any more information about the above, please feel free to contact me.

Yours Sincerely,

## **Regulation x - HELMET POLICY FOR PREMIER CRICKET (JUNIOR & SENIOR PLAYERS)**

**[A]** It is mandatory for junior cricketers (those under 18 years of age) to wear a British Standard 7928:2013 compliant helmet at all times when wicket-keeping up to the stumps or batting in Premier Cricket competitions.

**Note:** Any player that is aged less than 18 years is prohibited from fielding any closer than 10m from the bat (unless acting as a Wicketkeeper or fielding in the Slips or a Gully position).

**[B]** It is mandatory for senior cricketers to wear a British Standard 7928:2013 compliant helmet in Premier Cricket competitions as follows:

### ***Batting***

(i) A batter must wear a British Standard 7928:2013 compliant helmet at all times when batting against fast or medium-paced bowling.

(ii) The umpire(s) are the sole judge of whether bowling is fast or medium-paced and will judge the pace of bowling against what is considered “fast”, “medium-paced” or “slow” within the context of that particular match. The wicketkeeper standing either up to, or back from the stumps must not be the deciding factor in this decision.

### ***Wicketkeeping***

(i) At all times when wicketkeeping up to the stumps, the wicketkeeper must wear a British Standard 7928:2013 compliant helmet.

### ***Fielding***

(i) A fielder must wear a British Standard 7928:2013 compliant helmet at all times when fielding in a position closer than seven (7) metres from the batter’s position on the popping crease on a middle stump line, with the exception of any fielding position between the accepted position gully on the off side to the accepted position leg gully on the leg side, must wear a British Standard 7928:2013 compliant helmet.

(ii) The umpire(s) are the sole judges of the distance from the stumps in this clause.

### ***[C] Enforcement*** (see Policies Appendix – *Helmet Policy Enforcement Procedures* for detail)

(i) The umpire(s) are responsible for ensuring that a helmet is worn when required by Regulation x but are not responsible for ensuring that the helmet being worn by the player is compliant with British Standard 7928:2013.

(ii) The umpire(s) must not allow the match to continue during any period in which a player fails to wear a helmet when required by Regulation x.

(iii) In accordance with the Laws of Cricket, the umpire(s) shall:

a. Award 5 penalty runs to the opposing team when a batter does not comply with Regulation x.

b. If after the action above in (a) the batter continues to not comply with Regulation x, time out the batter who fails to wear a helmet when required by Regulation x

**Note:** For the purpose of this Regulation, no time/overs shall be lost to the game after the completion of any of the actions described

(iv) In the event of an extended delay in which either no batter comes to the wicket wearing a helmet (in situations required by Regulation X) or a batter fails to wear a helmet (in situations required by Regulation x) and also fails to leave the wicket having been given out in accordance with Regulation x [C](iii)(b), the umpire(s) shall adopt the procedure of Law 16.3 (Umpire(s) awarding a match)

- (v) In the event of an extended delay caused by a wicketkeeper or fielder failing to wear a helmet when required by Regulation x, the umpire(s) shall adopt the procedure of Law 16.3 (Umpire(s) awarding a match)
- (vi) In addition to the above, the umpire(s) will report any breach of Regulation x to the Premier Cricket Committee (via email to Premier Cricket Officer). Upon receiving information regarding the incident, the Premier Cricket Committee shall take all reasonable and appropriate measures to investigate the instance(s). The Premier Cricket Committee shall take such action as they deem appropriate against the involved participants and Clubs, if applicable.

**Notes**

- Parents/guardians, coaches and team officials need to ensure that this Regulation is adhered to.
- Association administrators, club coaches, team managers, parents and other volunteers are also encouraged to consider the use of helmets for junior wicket-keepers 'standing-back' if there are concerns about the skill level of the wicket-keeper, bowlers and fielders.
- A list of helmets suitable for Men's, Women's and junior cricket is maintained and regularly updated at <https://www.community.cricket.com.au/clubs/policies/~/link.aspx? id=B44F7A04D3AB4DCBBDAF951A7C5EAE35& z=z>
- For further information on Cricket Australia's playing policies and guidelines see <https://www.community.cricket.com.au/clubs/policies>

The following Note will be included in the Playing Conditions relating to Sunday Legends and Over-40s competitions.

**Notes: Consultation between Umpires and Captains prior to the match**

- Umpires and Captains should consult before the start of the match regarding bowlers who could be considered "fast", "medium paced" or "slow".
- This discussion should be completed following the sign-off of the Cricket Australia "Game Day Checklist", to give context to the match conditions for that day.
- In matches without an Association appointed Umpire, this process should occur between both Captains.
