

## Step by step to complete Introduction to Cricket online course component

1. Enter <https://community.cricket.com.au> and click on Log in (top right-hand corner)

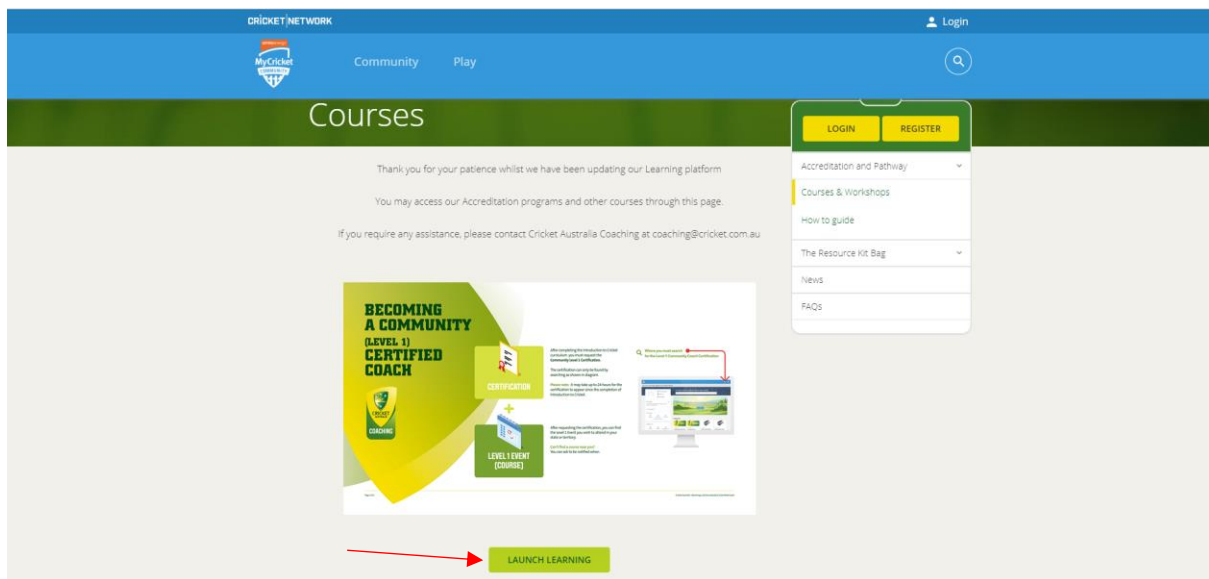

*Please note: If you do not have a Cricket ID, you will need to create one (green writing)*

2. Once you have logged in, click on Courses and Workshops tab. This can be found at <https://www.community.cricket.com.au/coach>

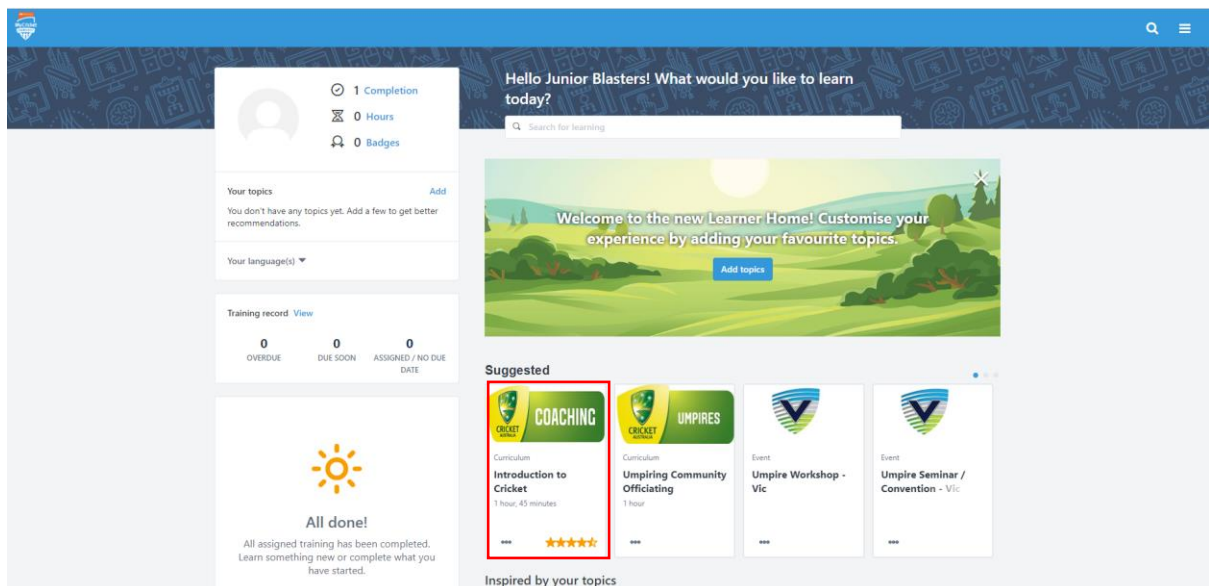

3. Scroll down and click on “Launch Learning”

*Please note: If you haven't already done so you will be promoted to log in again. After clicking on “launch Learning” please wait a moment while your record is being created and/or processed.*

4. You will be taken to the new learning platform as shown below. The introduction to Cricket course will be under the suggested tab. Click on this course and follow the prompts.

*Please note: If not under suggested please scroll across.*

***Please note: Once completed you will have to wait 24hrs for the Level Community Course and certification to be available.***
