# WELCOME TO WESTERN SUBURBS DISTRICT CRICKET CLUB

If you are in one of the 30,000 cars travelling each day along Oxley road in Brisbane's west, you can't help but notice the picturesque and iconic Graceville Memorial Park with its heritage listed grandstand and white picket fenced cricket ovals.

Since 1924, Graceville Memorial Park has been the home of one of Brisbane's oldest and most successful Cricket Clubs, the Western Suburbs District Cricket Club: "Wests" - *the mighty Bulldogs*. This year saw Wests turn 100 with a Centenary Luncheon taking place on the hallowed turf of Graceville Memorial Park.

Wests is a strong and successful club providing the summer sport option for the community of the western suburbs. WSDCC has eight Men's teams, two Women's teams and two Youth teams playing in Queensland's Premier Cricket competitions. We also have a junior playing base of over 400 which feeds into our Wests+Plus Academy program for our developing juniors and a vibrant club community of approximately 1,200 people.

This is a fantastic opportunity for you to partner with this great club and our great sport of cricket. Wests has an established link with the local Quest Newspaper, Local Westside News, who are great supporters of our Club.

Wests is a dynamic, youthful club with a strong sense of history, and a desire to contribute to the development of our community and our sport. We'd be delighted if you joined us!

Peter Frew

President WSDCC

Wests has enjoyed great success in recent years, most notably winning premierships in both our Men's and Women's First Grade sides in consecutive years. In the past 4 years our club has amassed 7 premierships across the grades and in all formats of the game.

In addition, the Men's teams have seen the elevation of Wests players to higher honors, including speedster Brendan Doggett to the Sydney Thunder, Queensland Bulls and Australian Test Squad not to mention playing a pivotal role in the most recent Sheffield Shield triumph with the Queensland Bulls. The male program also features batting dynamo Sam Truloff, a former Queensland Bulls cricketer and Peter Burge Medalist and speedster Blake Edwards, a current Bulls contracted player, our male teams regularly features in finals cricket and have claimed a number of premierships over the last decade.

Our Women's team is dominated by representative players including Queensland Fire and Brisbane Heat Champions Meagan Dixon and leading internationals Holly Ferling (Queensland Fire and Melbourne Stars) and Grace Harris (Brisbane Heat and Queensland Fire). Our female program is one of the best in country which is represented by numerous premierships and a constant production of players playing higher honors. An indication of our ongoing strength of our club in women's cricket is the fact that the Premier Cricket Women's' First Grade competition is named after Wests and Australian legend Katherine Raymont and the Second grade competition is named after our most successful past player, Queensland Fire and Australian captain Jodie Fields.

Junior cricket is the current and future strength of our club. We provide a fantastic sporting environment for young cricketer's to both develop their game and to develop the strength of purpose that a commitment to a technically demanding sport like cricket provides.

## WHY BECOME A BULLDOGS PARTNER??

### THE CLUB

The Bulldogs recently celebrated their 100 Year Anniversary and are one of the oldest clubs in the Queensland Premier Cricket Competition.

We are an organisation that prides itself on hard work both on and off the field, producing first class cricketers and human beings, along with being positive role models to every member of our club and the local community.

We invite you to join our community of bulldogs in what would be a partnership of teamwork, hard work and shared success, alongside shaping our next generation of superstar cricketers and high quality human beings.

We are able to provide you and your business with the type of engagement, exposure and entertainment that can only come from a locally based organisation. By tapping into our extensive community and ex-player network to provide great exposure and not to mention our main ground runs alongside Oxley Rd, one of Brisbane's busiest roads with over 30,000 cars travelling past the vast open spaces of Graceville Memorial Park per day. Our heritage listed Grandstand provides bird's eye views across both our ovals and the park. Nestled in the leafy surrounds of affluent Graceville with many members of the local community using the park there's always plenty of foot and car traffic around the club.
