

How You Can Help - Volunteers

Volunteers contribute to the social and economic value of sport, especially at the community level. Many sports and sporting organisations would not be able to run without volunteers who fill many critical roles, including coach, official, manager, administration, board and committee member.

What are the benefits of volunteering?

Most of our volunteers have specific reasons for what they do – we've shared some of them here:

- Gaining new skills. ...
- Making new friends. ...
- Mental and physical health and wellbeing. ...
- Giving something back. ...
- Improving your confidence.

WSDCC is always looking for participation from its members and patrons, The opportunity exists for you to volunteer your services to the club to help our club achieve the desired outcomes for our members.

There are several ways you can contribute

- By considering the positions vacant on our club website
- By putting forward your skills and suggestions
- By assisting the club through your workplace occupation eg trade work, sponsorship
